

# SPARK SUCCESS

## with BrightSpark Executive Coaching

### Why Coaching & Why BrightSpark?

With over 20 years of leadership and team development experience at companies like Disney, Genting, and Celebrity Cruises, Ewan empowers executives to lead with confidence, achieve their goals, and spark success.

As a certified coach through the Institute of Leadership & Management in the UK, and with over a decade of experience, Ewan partners with leaders across industries—including hospitality, leisure, travel, and beyond—to unlock their potential using goal-oriented coaching techniques.

Having benefited from executive coaching himself, Ewan is a true advocate for its value. Believing that it provides a much-needed safe, confidential, and judgment-free space for leaders to explore ideas, gain clarity, and prioritize next steps.
